Paid Parental Leave will be available following a Qualifying Event and must be used within twelve weeks of the Qualifying Event. To be eligible for Paid Parental Leave, the Qualifying Event must occur on or after the Eligible Employee's first day of employment with Baylor University.

Use of Paid Parental Leave

Paid Parental Leave is available for all of the following qualified events provided below.

- **Birth** – time off for the purpose of recovery from the birth of a child and to care for and bond with the staff employee's newborn child within twelve weeks following the date of birth.
- **Adoption** – time off to care for and bond with the staff employee's adopted child within twelve weeks of the initial placement for adoption. Coordination with FMLA and other Baylor Leave Policies

BU-PP 408 is incorporated into this policy in full by reference. It is available at [Family and Medical Leave Act \(FMLA\)](#).

3. Paid Parental Leave (BU-PP 421)

All employees requesting Paid Parental Leave must also apply for FMLA. If an employee is eligible for FMLA, Paid Parental Leave will run concurrently with FMLA. An employee may still qualify for Paid Parental Leave even if they do not qualify for FMLA. Paid Parental Leave does not provide the same protection as FMLA, nor does it extend or shorten the FMLA period.

Paid Parental Leave may run consecutively with vacation, health leave, paid caregiver leave, and / or paid military / emergency responder leave depending upon the requirements for each being met. The Paid Parental Leave Policy does not alter the requirements for other polices, e.g., does not extend the time in which leave may be taken under another policy and does not grant more Paid Parental Leave if other forms of leave are used such that the time to use Paid Parental Leave has expired.

Availability

The maximum amount of Paid Parental Leave available to an Eligible Employee is based on the Eligible Employee's full-time equivalent (FTE) (see Formula in definitions and below). Paid Parental Leave will be available one time within a rolling 12-month period which commences on the date of the Qualifying Event and must be used within 12 weeks of the Qualifying Event.

Paid Parental Leave Eligibility Formula

For positions that are scheduled for 40 hours per week, Eligible Employees will be provided with up to six weeks (240 hours) of Paid Parental Leave upon employment. For positions that are scheduled for less than 40 hours per week, the maximum allowed Paid Parental Leave will be a percentage 40 hours per week with a maximum allowed amount of 240 hours.

To determine the maximum allowed Paid Parental Leave for an FTE, use the following formula:

$$FTE \times 40 \text{ Hour FTE Maximum Balance (240 hours)}$$

Example: For an Eligible Employee with a 0.50 FTE position, the maximum Paid Parental Leave provided during the 12-month rolling period will be 120 hours.

$$0.50 \text{ FTE} \times 240 \text{ Hours} = 120 \text{ hours of Paid Caregiver Leave}$$

Each Eligible Employee may use Paid Parental Leave regardless of whether one Eligible Employee is in a qualifying family relationship with another Eligible Employee. For example, when both parents are employed by Baylor, each Eligible Employee may take Paid Parental Leave for a Qualifying Event.

4. Paid Parental Leave (BU-PP 421)

Procedures

The need for Paid Parental Leave shall be reported as soon as possible to the employee's supervisor or department head.

To request Paid Parental Leave, the Eligible Employee should:

1. Complete and submit the [Request for Paid Parental Leave](#) form (see BU-PP 421A)
2. Complete and submit FMLA request forms (see [BU-PP 408A](#)).

 - a. [Certification of Health Care Provider for Employee's Serious Health Condition](#)
 - b. [Certification of Health Care Provider for Family Member's Serious Health Condition](#). At the discretion Baylor University, a second and third medical certification may be required. Baylor University would be responsible for paying for the second and third opinions, including any reasonable travel expenses for the employee or family member.

Documentation

Documentation provided to determine FMLA eligibility will also be used to verify Paid Parental Leave eligibility. The following documentation may also be used to determine Paid Parental Leave eligibility:

- Proof of a newborn child's birth will be required when a staff employee applies for Paid Parental Leave for the birth and care of a newborn child.
- An authorized placement document will be required when a staff employee applies for Paid Parental Leave for adoption.
- A signed placement order will be required when a staff employee applies for Paid Parental Leave for foster care.

To validate an absence, appropriate documentation may be required at any time if requested by the supervisor, department head, Human Resources, or Payroll.

Tracking of Paid Parental Leave

Paid Parental Leave is tracked using the processes and systems put in place by the University.

Payment of Paid Parental Leave

Payment for Paid Parental Leave to bi-weekly staff is included in the regular scheduled paycheck provided that the Time card and comments were submitted with the employee's time record and approved in accordance with University policy. The employee will not be paid for hours off in excess of accrued Paid Parental Leave hours.

Available Paid Parental Leave will be used for a Family and Medical Leave within the guidelines of this policy and the University's Family and Medical Leave Policy. See [BU-PP 408](#).

Payment for Paid Parental Leave will not exceed the compensation for scheduled hours per week approved for the position. Paid Parental Leave may not be donated to another employee that works for Baylor University.

A staff employee who does not meet FMLA standards and has exhausted the allowable Paid Parental Leave may submit a formal request for a [Non-Compensated Leave of Absence](#) provided that they have exhausted all other accrued paid time off. An employee who meets FMLA standards may continue unpaid leave after exhaustion of Paid Parental Leave and other accrued paid time off.

Holidays and Other University Closures

If an official University holiday occurs during the Eligible Employee's Paid Parental Leave, the Eligible Employee will receive holiday pay in lieu of Paid Parental Leave, provided the Eligible Employee is in pay status the day before and the day after the official University holiday.

Separation from Service

Upon separation from service, unused Paid Parental Leave has no cash value in the employee's final pay.
